

FREDDY SOLIS WORD OF LIFE PANAMA

NOVEMBER 2014 / ISSUE 1

Hola

It's a big privilege to write you in the confidence and faithfulness of God and His care for your lives and for mine. I hope that you are well and growing in the knowledge and thankfulness for our Savior. Thank you for prayers and financial support for my ministry. I appreciate your helping me be able to serve the Lord in Panama.

NEWLY ENGAGED

I want to share with you what God has been doing in my life in these last months. In God's perfect timing, He provided a woman of God for my life. She is a missionary with Word of Life Mexico where she has had the opportunity to disciple girls. We met in Argentina when we were at the Bible Institute studying.

We met again at the Central American conference in Panama in May, and God put in both of our hearts a desire to be together. I was able to visit her in Mexico in September, and asked her to be my wife. We will get married next June. Our desire is to serve the Lord together in Panama.

Please pray for us.

Children's Show - In October we visited the province of Santiago to preach the gospel to children by presenting a musical.

Many children heard the gospel and received Jesus as their personal Savior. I give thanks to God for so many lives now saved. I thank God for the privilege that He has given me to serve alongside with many of the boys that I am discipling.

Bible Club

I praise God that I am able to have the opportunity to teach the Word of God to young people so that they will be able to know more about God and grow in their relationship with God.

Sports Marathon

On November 15th we had a sports marathon; basketball, soccer, volleyball, and swimming. We had 210 people attend and 30 souls were saved. Here I am counseling kids that accepted Christ. Pray for commitment and growth in the Lord for their lives.
